11. Conclusion :

The Lecture was highly Informative and Educative to the aspiring and ever-enthusiastic students of the college. The speaker made it clear that the main objectives of the exams were to unearth rough diamonds of the country to carry out the tedious Bureaucratic Business of the land. The exams, in other words, were meant not only to the elite sections of the society but to everyone in the country. It finally concluded by stating that the exams were tough but not impossible to crack.
